Greenity of Planet Earth might be a fruit of Equality between all Equal members of Man Kind.

When you have reached the **green** Maslow level, you might be able to think and act **green**.

In order to respond your inner voice and achieve **good conscience** and **self esteem**.

7,8 billion World Citizens needs a World Citizen Passport as a foundation of freedom for the spirit through human legal rights.

And 7,8 billion World Citizens needs a World Citizen A-Dollar-A-Day Account as a foundation of survival of the flesh through human economic rights:  
Basicly the human right not to die because of hunger.

And 7,8 billion green World Citizens might keep the Earth green 😊

Melody: "Blowin' In The Wind" (Bob Dylan) – Lyrics: [Benny Andersen](#) & Christian Danashave (DA) & Christian Humanity (EN)

Syv komma fire milliarder er nok  
Det bedste bud på menneskehed!  
Og der er nu sytten flotte verdensmål  
Som alle bærer dygtigt til fred!  
Ja, og hvor mange mennesker skal sulte og dø  
Før nogen for alvor bli'r vred?

Om svaret, min ven, bli'r væk i en vind  
Dog drømmen ... den blusser på din kind

Syv komma fire milliarder er nok  
Det bedste verdensborgerbud!  
Og tænk, hvis vi alle var "alle for en"  
og kæmped' for mennesker og Gud  
Ja, trods faste i ånd og trods faste i kød,  
Tør vi la' os selv stå for skud?

Om svaret, min ven, bli'r væk i en vind  
Dog drømmen ... den blusser på din kind

Syv komma fire milliarder er nok  
til verdensborger-dollar per dag  
**Mon Norden donerer et verdensborgerpas  
Med FN's og alverdens landes flag?**  
**Mon EU donerer en verdensborgerbank  
og dermed tjener verdensborgersag?**

Om svaret, min ven, bli'r væk i en vind  
Dog drømmen ... den blusser på din kind

Billions of Seven point Five easy make  
a common sense of hu-ma-ni-ty  
And seventeen goals of the World of U.N.  
make Peace & Gaia Sanity  
Yes, and how many deaths will it take till we know  
to love our lives before cemetery?

The Answer, my friend, is blowin' in the Wind  
The Question ... is always on our Mind

Billions of Seven point Five easy make  
a reason for all Citizens sake  
As Musketeers we're all being "all for one"  
fighting for our neighbor and God's speake  
Though tough on Spirit and tough on Flesh  
Do we put ourselves at stake?

The Answer, my friend, is blowin' in the Wind  
The Question ... is always on our Mind

Billions of Seven point Five easy make  
Each Human A-Dollar-A-Day  
**The Nordics might donate a UN-passport  
For every single human, Okay?**  
**Do The EU donate All Citizens Bank  
to serve everyone the U.N. pay ?**

The Answer, my friend, is blowin' in the Wind  
The Question ... is always on our Mind

**The Nordics - Future donator/sponsor:**  
**7,8 billion World Citizen Passports, ~**  
**Human Legal Rights ... ?**
